PID # 29-0-215200, Section 7, Township 49.0, Range 23,

Aitkin County, Minnesota, with a site address of 21796 512th Lane, McGregor MN 55760

has not been inspected or found to be in compliance with Minnesota Rules Chapter 7080 or Aitkin County's Individual Sewage System and Wastewater Ordinance No. 1, due to restricting weather conditions making it impossible for the licensed septic inspector to conduct an inspection.

I (WE), hereby attest that a compliance inspection has been requested and will be conducted as soon as weather permits by June 1, 2018, and the results of the inspection will be provided from the owner to Aitkin County Environmental Services within 30 days of receipt. If the system is determined to be "failing" or "non-compliant", it is hereby agreed upon that the upgrading or replacement of the system will be completed no later than September 30, 2018, with financial responsibilities and obligations for the cost of upgrading the system to be the sole responsibility of the above-listed property owner(s).

IN WITNESS THEREOF, this affidavit has been executed on behalf of each of the parties hereto as of the day and date set forth below.
