Hi Juan,

Just checking up on the status of your application. For the application to be accepted as complete please answer the shoreland data and natural landscape protection questions.

If the application is not complete by December 12, 2018, the application will be denied and a full refund will be issued.

If you have any questions with the application please let us know.

Thank you,

Hi Juan,

Your permit application for a gazebo has been received and is under review. Since the property is in the shoreland zoning district, please log into the application to answer a few remaining Shoreland Data questions. Once logged in, click 'Edit' at the top of the page. Skip to #9 and #10 to answer the remaining questions. Continue to click next to Finish the application. Below is a direct link to the application for your use.
