RE: Application# 2019-004262

Hi Wesley,

Your Land Use Permit Application for a 30x40 garage has been received and is under review. Please provide the following information to complete the application:

- Provide a current septic compliance inspection
- The parcel is located in shoreland zoning, please complete the Shoreland Data and Landscaping questions
- Include the distances to property lines, road, lake, and septic system on site drawing.

Below is a direct link to the application. To include the additional information please Log In and click 'Edit' at the top of the page. If you have any questions or need additional help please let us know.
