

Leman  
Big Pink Lake  
Shoreline

3/2019

Hayland Woods

50sf 10'x15' very  
add low beaked  
sedge plugs to  
upper area above  
kayak landing to hold soil

300sf 12'x35' estimated  
Badly eroding  
slopes above trail  
& below bridge -  
see yard's estimate  
for slope check reinforcement  
and seed/plant  
stabilization

270sf  
natural native  
vegetation - retain - add  
diverse flowers

35'x45' 1575sf  
Slope below cabin +  
above access road

+10'x30' below trail  
approx 8'x30'  
+ 8'x10'

approx 20'x45' 900sf  
old lawn area -  
Spray out lawn grass,  
retain existing moss,  
flowers, sedge &  
plant low sedge  
and flowers

Stop mowing

reinforce path  
with Envirogrid  
approx 8'w  
x 50' long

36'w (retain)  
cattails (existing)  
prop slope of  
topsoil from +  
weeding  
approx 15'x3'
