Re: Wetland delineation revision per TEP (Technical Evaluation Panel) for Jerry Kral on part of two properties totaling approximately 5.2 acres located in the NE ¼ of the NW ¼ and the SE ¼ of the NW ¼ Section 17, T44N, R25W, Lakeside Township, Aitkin County, MN. PID No's 16-0-025204 and 16-0-025212. Landowner's address: 12751 County Road 3 SE Clear Lake, MN 55319. Site address: xxxxx 327th Ave. Isle, MN.

Becky,

In response to the on-site TEP review of the delineation on the described property, the following changes have been made:

The wetland boundary has been adjusted beginning at flag A-7 where it meanders north-northwest, northeast, and north and ties back to the initially delineated line between flag A-12 and A-12 add'l. The wetland boundary thereby includes the area as originally defined by flags A-7 through A-12 as upland. The upland area increases by approximately 4100 square feet and the wetland area decreases by the same amount. The area of Basin "A" is approximately 2.98 acres. The length of delineation is decreased by approximately 80 lineal feet for a total length of Basin "A" of 1288 lineal feet. These area and length numbers are updated on the attached revised delineation exhibit.

The wetland boundary and updates are based on the TEP field review of the site where new flags were placed to reflect the desired modification(s). See attached revised wetland delineation exhibit as modified based on TEP comments.

Sincerely,

Matthew Blesi
BWSR Certification # 5092

Wetland Delineation Exhibit

for
Jerry Kral

Revised 6/8/2020
per TEP comments

Part of Section 17, Township 44, Range 25
Lakeside Township, Atkin County, Minnesota

Basin "A": Area 2.98 Acres, 1,288 LF delineated, flags A-1 to A-49, Type 2/6/7 wetland
Island 1: Area 0.09 Acres, 290 LF delineated, 12 flags
Island 2: Area 0.12 Acres, 312 LF delineated, 8 flags
Island 3: Area 0.01 Acres, 84 LF delineated, 5 flags
