

Certified Wetland Delineator List

NOTE: This list is compiled based on proximity to Aitkin. Names were included if the address listed was within roughly 100 miles of Aitkin as the crow flies. The intent was to provide a list of delineators that were as close as possible to Aitkin. Also included are people and businesses that have specifically requested to be on our list. The list does not include delineators associated with a state, county or soil & water office. **There is no recommendation implied in this list.** You are free to use anyone to delineate the wetland. The delineation must be presented to the Aitkin County Planning & Zoning office for approval. The following link will bring you to a full list of certified wetland delineators.
