

Vegetation Conditions

Timothy and Janice Elledge

Townline Lake (Jevne Township)

Implementation of a 4' wide un-mowed vegetative buffer with the addition of 12 native shrubs.

Planting of a minimum of 6 one-inch diameter trees to be planted along the top of the slope.

Hill side to be left natural (un-mowed) with the addition of 12 native shrub plantings.

All vegetation, hillside, and buffers to be maintained by landowner. Vegetation that fails to establish will be replaced at the landowner's expense.

All vegetation requirements are to be implemented by July 1st, 2023
