

Permit Application #2023-000132

Structure was not staked. Based on site plan, all setbacks appear to be met. The photos correspond with the site plan position.

Red machine shed on left of Quonset to be torn down

## After-the-Fact Accessory Structure (96'x40')

Building seems to be placed on two parcels under same ownership. Lots may not be sold without a lot line adjustment or removal of structure if it is on both parcels.

Green footprint is ATF
