

25113 21st Ave.  
St. Cloud, MN 56301

320.252.7680

To whom it may concern,

The billboard for R&J Broadcasting along 169, that was taken down due to the road project, will be the same size going up as it was coming down.

We will not be altering any dimensions of the structure, simply just putting the same sized structure back up in the new location.

Please contact RHL with any questions.

Thank you,

John Swanson
