RE: Parcel ID number 39-0-045103
Lucas C. Knese property

Dear Sirs,

Mr. Knese has given permission for the potential buyer (Curt Plotz) to have a wetland delineation done on the said property. The expense of this, if any, will be Curt Plotz's.

FYI... Becky has already been out there a few years ago to do this and she was good with a culvert to get through this area in question.
