Re: Septic Design submitted for the following property: 36569 Highway 18 Aitkin, MN 56431 (PID: 36-0-037501)

This letter serves as a notification of approval for the septic design completed by Tom Espersen on 09/24/2024 for the property listed above. The design has been reviewed and approved as it was submitted, and a certificate of compliance will be signed after the system passes the final inspection.

Please do not hesitate to reach out to me with any questions.

Sincerely,

Walker Maasch
