PROPERTY ADDRESS: 45049 350th St Aitkin, MN 56431

LEGAL DESCRIPTION: PT OF GOVT LOT 1 IN DOC 391521 DESCRIBED AS TRA

Aitkin County Environmental Services authorizes the Permittee to operate a wastewater treatment and dispersal system located on the above described property in accordance with the requirements of this permit.

This permit is effective on the issuance date identified above.

This permit and the authorization to treat and disperse from the above system is valid through the renewal period identified above. The Permittee is not authorized to discharge after the renewal period. The Permittee shall submit such information and forms as required by Aitkin County Environmental Services no later than thirty (30) days prior to the expiration date. When the required information is submitted and approved by Aitkin County Environmental Services, the permit may be renewed. This permit is not transferable from owner to owner.

I hereby certify with my signature as the permittee that I understand the provisions of this permit including the maintenance and monitoring requirements. I agree to indemnify and hold Aitkin County harmless from all loss, damages, costs and charges that may be incurred by use of this system and if I fail to comply with the provisions of this Operating Permit. If I sell this property during the life of the permit, I will inform the new owner(s) of the permit requirements and the need to renew the

Signature of Permittee

permit.

A. DESCRIPTION OF WASTEWATER TREATMENT AND DISPERSAL SYSTEM

Adding sandfilter pretreatment to allow the longevity of the existing septic system.

B. PERFORMANCE STANDARD REQUIREMENTS:

During the period beginning on the effective date (issuance date) of this permit and lasting until this permit's expiration date, the Permittee is authorized to discharge from the wastewater treatment unit to subsurface dispersal. No surface discharge is permitted. The following parameters must be monitored and the results must be found within the compliance limits.

PARAMETER	COMPLIANCE LIMIT	SAMPLE LOCATION	SAMPLE FREQUENCY	SAMPLE TYPE	REPORTING FREQUENC
Flow	750/gpd	Water Meter	MONTHLY	Record on Log Sheet	ANNUALLY

C. MAINTENANCE REQUIREMENTS:

LOCATION	FREQUENCY		
Water Meter	MONTHLY See 5 Hacked		
	1000 C		

D. MONITORING AND REPORTING REQUIREMENTS:

Monitoring results obtained during each calendar year shall be submitted no later than May 31st of that year to:

Aitkin County Environmental Services 307 2nd Street NW, Room 219 Aitkin, MN 56431

The monitoring reports shall be signed by the Permittee. Copies are to be retained by the Permittee. Any sampling and laboratory testing procedures shall be performed in accordance with Standard Methods at a Minnesota Department of Health approved laboratory. All sampling and testing costs shall be the responsibility of the Permitte. Monitoring plans may be modified as necessary and reapproved by Aitkin County Environmental Services.

The Permittee shall ntoify Aitkin County Environmental Services within thirty (30) days when monitoring results do not meet the monitoring plan requirements of this permit.

The owner has secured the services of **Mark Ritter** as the Service Provider or qualified individual for this system. The Service Provider or qualified individual is hereby authorized to report the required monitoring data and routine maintenance service records to Aitkin County Environmental Services.

E. MITIGATION PLAN:

If weeping occurs; lower dosing rate, lower water usage, or increase distribution area. Waste strength; if fecals exceed limit -reduce effluent strength, increase retention time or add disinfection.
 A different or another Performance or Other System may be installed at the owner's expense.
 If in the event that this system should fail and if there is no other ISTS option available, then

Holding Tanks must be installed, to be pumped by a licensed Pumper with a contract.
