

Garden Shed 10' x 12' = 120 sqft

Lot Square Footage  
Lot Size Area = 0.50 acres or 21,780 sqft

*Total sqft of buildings = 120 sqft*

15% of lot size = 3267 sqft

So, a 10' x 12' garden shed does conform to building code of less than 15% lot area.
