Hi Kristi -  
It's not decking. It's patio cement.

Thank you.

Good morning,

I did receive a copy and believe it or not, I just finished up looking at it.

Quick question for you – what is the shaded area around the hot tub and the small shaded area to the right of the Great Room? Is that decking?

Good timing with the email! ☺

Hi Kristi,

I'm not sure if my architect sent this to you yet so I'm forwarding it to you. Please see if you can find a way to get the footprint down from 3023 to 3000.

Also, Larry Liljenquist has my application so hopefully he will get you the plan and sewer certification this week.

Thank you,

Mitch
