Looking at 30' x 40' Storage Shed. I had contractor out to walk property, they said they were 99% sure there would be no issues. I would like to get a couple quotes on buildings & site work, but want to make sure county is okay with it before I waste everyones time. I have
 COMMENTS: staked & lot lines marked. driveway will have to be moved a few feet, notice one stake in middle of drive. We purchased property in November of 2015, new construction, let me know what else you would like.
